PUBLIC NOTICE

Subject: Filing of Schedule by Foreign Airlines

This office has issued AIC 9/2009 dated 30th October, 2009 laying down the requirements for grant of operating authorisation to foreign airlines. It provides that after the designated airline has been issued the operating authorisation, it may file the schedule giving at least 30 days prior notice for commencement of the scheduled services.

2. It has been observed that some foreign airlines file their schedules with this office in anticipation of grant of operating authorisation and then start following up with authorities for expeditious issuance of the authorisation so as to be within the time frame set by the airline itself without consultation with DGCA. This is not a good practice.

3. In view of the above, it is emphasised that the foreign airlines should file the schedule only after the grant of the operating authorisation with 30 days prior notice. Any schedule filed before the issuance of the operating authorisation will not be entertained.
