## PUBLIC NOTICE

Subject: **DISCONTINUATION OF EEG DURING INITIAL MEDICAL FOR CIVIL AVIATION**

1. The Electro-Encephalo-Graph (EEG) is currently being done as one of the mandatory investigations during Class I Initial Medical Examination of all candidates/aircrew.
2. It has been decided that with immediate effect, EEG shall no longer be conducted during Class I Initial Medical Examinations except when indicated by the following :-
  - (a) Individuals statements in Part 1 of CA-34
  - (b) History
  - (c) Examination findings
  - (d) Clinical suspicion during conduct of Medical Examination
3. The changed policy would be applicable prospectively only.
4. This issues with the concurrence of DGCA.
